The clearest images yet arrived from Johan SM6LKM in JO67MR on 02-SEP-04. The first one shows the

This second image from Johan SM6LKM shows the "crown" trademark signature.

Johan reported strong signals again on the 3'rd.

Johan reported strong signals again on the 3'rd.

Johan reported strong signals again on the 3'rd.

Very clear "crown" trademark, from Christian DL6JAN in Chemnitz, E Germany, JO60KU, 03-SEP-04. N

Two more successive screenshots from Christian DL6JAN on 04-SEP-04, which I cut and pasted together

A complete cycle from Peter PA1SDB in JO33KH, taken using the Spectrum Lab software. This screens

A drift-free (for a change!) image from Uli DF5SF on 05-AUG-04 in Reutlingen, JN48ON. This image wa
